

Welcome,

The Commodore and Committee of the East Gippsland Powerboat Club Welcomes you to the 2022 Paynesville Gold Cup weekend. The year the event is sponsored by “Whytehall Services” and our thanks go to Ian Hall for providing their support.

We are looking forward to seeing a spectacular weekend of racing and are proud to be hosting the best of the best in the Gold Cup, Victorian Championships, class racing, juniors and of course seeing the return of the Marathon Style open water classes to the magnificent Gippsland lakes.

We would like to acknowledge the support of the East Gippsland shire council and Gippsland Ports as major event partners and for their contribution in ensuring that we continue to host powerboat events on such a large scale on one of Australia’s iconic waterways.

The committee has been hard at work in preparation for a COVID-19 Safe event and we are sure that everyone attending, both spectators and competitors will be satisfied come Sunday evening.

We have scheduled a great deal of racing across the weekend from all classes and are looking to accommodate anyone interested in competing over the weekend so please contact myself or the committee should you have any questions.

We will, of course, have crane facilities on-site for those teams requiring it and it is anticipated there will be some food vendors on hand to ensure you are well catered for.

We would also like to thank our sister clubs for their support of the Paynesville Event. As the only location not affected by water levels, we have a long history of holding very successful events, in front of limited crowds, and we look forward to the 2022 event being a highlight of the calendar.

The Paynesville Gold cup is a very prestigious trophy, and in years past it has attracted the best of the best from the Displacement, Outboard and Hydroplane classes. We hope that this year will see the call answered by those Unlimited drivers and we will see the best that Victoria and Australia have to offer on the water.

Good luck to each and every competitor and we look forward to receiving your entry and some great racing in Gippsland.

Yours Sincerely

Aaron Hill  
Commodore EGPBC

COVID-19:

Please take care to read through what is expected re our COVID-19 safety plan, all competitors and spectators will be expected to adhere to these requirements.

- Each attendee must do a [symptom self-assessment](#) prior to leaving home and not attend if they are unwell or have been instructed to isolate or quarantine.
- All participants, volunteers and organisers are to declare verbally before each session that they are free of symptoms, have not been in contact with a confirmed case and have not been directed to isolate.
- Enhanced hygiene practices will be reinforced onsite including the use of sanitiser and handwashing stations and regular spot cleaning of high touch surfaces.

We hope to see you all there
